D-BACKS SUSTAINABILITY

The Arizona Diamondbacks sustainability program is an organization-wide commitment to improving its environmental performance and to use baseball as the platform with which we can influence players, fans, employees and corporate partners to positively affect environmental change.

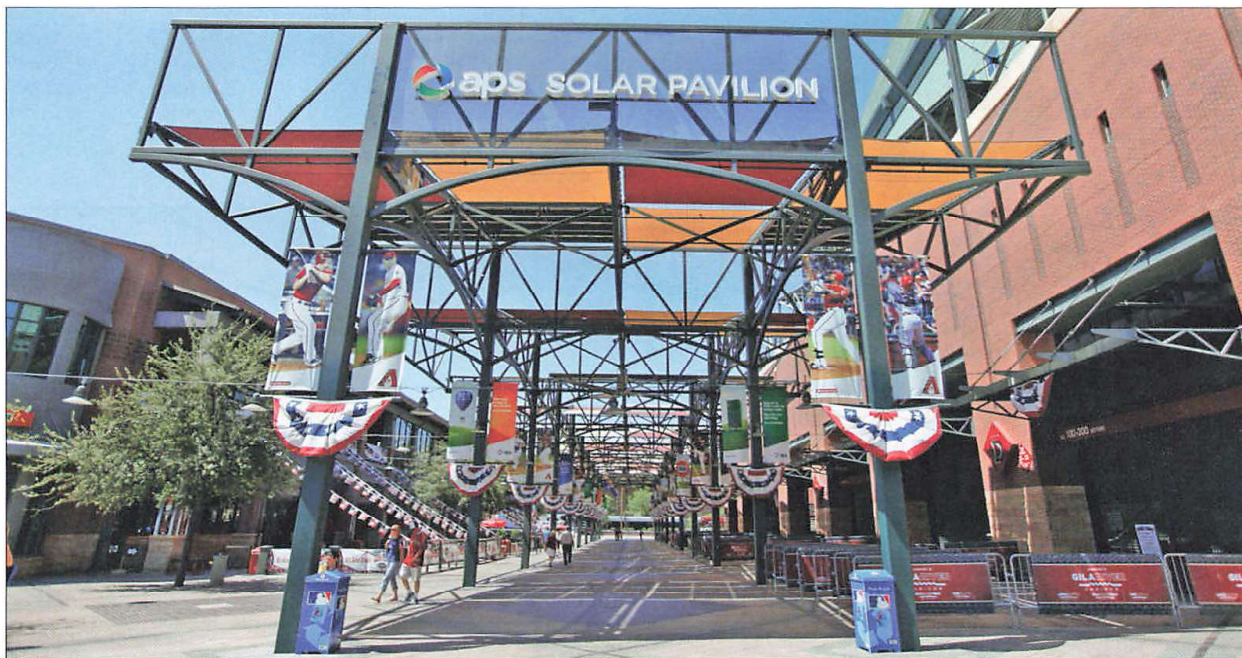

GREEN INITIATIVES & PRACTICES

- ♦ Salt River Fields at Talking Stick received LEED Gold Certification for New Construction, the first LEED Gold-certified sports venue of its kind in the United States. Sustainable project elements include siting the stadium to provide maximum shade, using native vegetation, minimizing stormwater runoff, maximizing the amount of fresh air brought in through its HVAC systems and using grass-covered parking lots, rather than asphalt, that can double as playing fields for the community when not in use.
- ♦ In partnership with Waste Management, the D-backs added 200 new recycling/waste receptacles throughout the ballpark prior to the 2017 season to improve ballpark diversion efforts.
- ♦ In 2017, 50 high-speed, energy-efficient hand dryers were installed in concourse restrooms, reducing paper waste created in these locations.
- ♦ The team encourages the use of alternative forms of transportation and lower the carbon footprint for Chase Field by reducing the amount of energy used for the facility's operation.
- ♦ In 2014, the D-backs replaced fluorescent lighting along the main concourse with energy-efficient LED lighting that will reduce the main concourse lighting power consumption by 60 percent each year.
- ♦ In 2016, the D-backs and Levy Restaurants donated more than six tons (12,290 lbs.) of stadium food from Chase Field to Church on the Street. The donated food equals 10,241 meals that help people in the Phoenix community.
- ♦ Hosted the first-ever Zero-Waste Spring Training game in Arizona on March 13, 2014 at Salt River Fields to bring awareness to recycling and composting.
- ♦ Contributing members of the Green Sports Alliance, a coalition of professional sports teams and sporting venues committed to promoting "greening initiatives" in sports.

- ♦ The APS Solar Pavilion generates 100,000 kWh of solar energy, generates enough electricity to power the lights at Chase Field for 11 home games.
- ♦ APS Electric vehicle chargers located outside Chase Field for fans to charge their car and learn more about alternative energy-powered cars.
- ♦ Media guides are available electronically; *D-backs Insider* magazine is printed with soy ink on recycled paper; most marketing collateral printed on FSC certified products.
- ♦ Renovation of Game Seven Grill on the Gila River Casinos Plaza included high-efficiency LED lighting and conversion of building to Building Management System to efficiently control energy use.
- ♦ D-backs game-day event and concessions staff shirts are each made from RPET fabric (each shirt created from 16 recycled plastic bottles).
- ♦ Grease is recycled into biodiesel fuel and vendors distribute bio-based and compostable food service items.
- ♦ Offer a reusable "loyalty cup" to season-ticket holders.
- ♦ All paper products used at Chase Field are comprised of recycled material.

APS SOLAR PAVILION

- ♦ Dedicated on April 28, 2011. Partnership between D-backs, Maricopa County Stadium District & APS.
- ♦ Solar-shade structure covers 17,280 square feet.
- ♦ Solar panels will generate 100,000 kWh of solar energy, enough electricity to power the lights at Chase Field for 11 home games.

E.G. (KEN) KENDRICK

MANAGING GENERAL PARTNER

A charter member of the ownership group that brought baseball to the Valley of the Sun, Ken Kendrick's involvement in the general partnership took on added significance in 2004 when he assumed the role of Managing General Partner of the Arizona Diamondbacks. Kendrick has taken an active role in the day-to-day operation of the D-backs

and is the organization's designated representative when Major League Baseball owners convene during the course of the year.

During his tenure as the Managing General Partner, the D-backs have twice captured the National League West Division (2007, '11), reaching the NLCS for just the second time in the franchise's existence in 2007. As a commitment to the fans, Kendrick and the D-backs' ownership group continue to reinvest all profits into the team. Under Kendrick's leadership, through equity and debt restructures, the team has eliminated more than \$210 million of debt, putting the franchise on sound financial ground for years to come. Additionally, he led the negotiations with FOX Sports Arizona on a 20-year extension that began in 2016 and is the largest financial transaction in franchise history.

In 2016, Kendrick and club President & CEO Derrick Hall hired Mike Hazen as the club's Executive Vice President and General Manager who in turn, named Torey Lovullo as the eighth manager in team history. Prior to the 2016 season, Kendrick authorized the largest free-agent signing in franchise history when the team signed pitcher Zack Greinke. The average annual value of the 6-year deal is the highest in baseball history.

Kendrick is in his 14th season in his current role and during that time, the franchise has become a model organization in Major League Baseball, hosting an All-Star Game at Chase Field in 2011, opening a Spring Training facility that is widely considered the finest in all of baseball in Salt River Fields at Talking Stick, and becoming one of the largest philanthropic entities in the Valley with charitable contributions topping \$50 million since the organization's inception.

In 2013, *ESPN the Magazine* rated the D-backs as the No. 1 team in all of Major League Baseball in its Ultimate Standings, which gauges success both on and off the field and *Ranking Arizona* recently named the team the No. 1 place to work in the state among small companies.

While the D-backs are his primary business focus, Kendrick has helped to change the face of downtown Phoenix, as he is a principal in the development of CityScape, Arizona's largest commercial/retail real estate development footsteps from Chase Field.

After receiving a Bachelor of Science in Business Administration from West Virginia University in 1965, Kendrick started his career with IBM. Three years later, he founded Datatel, Inc., which has become the worldwide leader in the development of computer software for the management of infrastructure technology for colleges, universities and foundations.

As Datatel continued to grow and prosper, Kendrick stepped down from the daily oversight of the company to explore new business opportunities. He served as President of a Texas-based financial services technology company for four years in the 1980s. In 1989, Kendrick became the principal investor in Woodforest National Bank in The Woodlands, Texas, which now is one of the nation's largest primarily employee-owned banks. Woodforest National Bank, a \$4.5-billion entity with 5,000 employees, is a subsidiary of Woodforest Financial Group, which was founded by Kendrick and also includes Merchants' Choice Credit Card Services and Par Real Estate.

Kendrick also owns Bumble Bee Ranch, which is devoted to providing western lifestyle experiences to children's charities throughout Arizona in addition to the Ironbridge Golf Club in Glenwood Springs, Colo.

He is very active in many philanthropic endeavors, beginning with his role as Chairman of the Arizona Diamondbacks Founda-

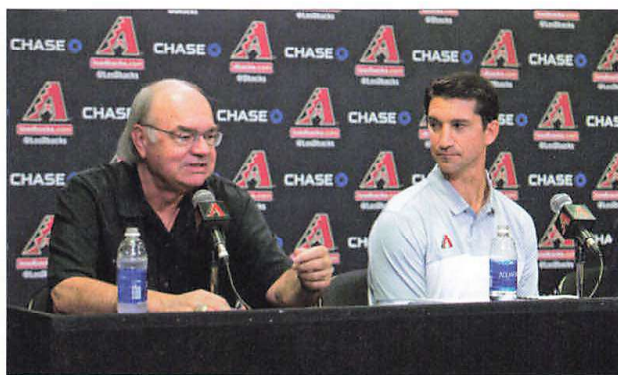

tion. The D-backs organization, combined with its Foundation, has surpassed the \$50-million mark in combined charitable giving since its inception, including more than \$24 million in the last six years. In 2011, Kendrick received the Ellis Island Medal of Honor from the National Ethnic Coalition (NECO). He and his wife, Randy, were previously named the Living and Giving Honorees for the Desert Southwest Chapter of the Juvenile Diabetes Research Foundation. Kendrick also received the Visionary Award from the Foundation for Blind Children, Spirit of the Children Award from Childhelp USA, Today's Kids/Tomorrow's Stars honoree of the Boys & Girls Clubs of Metropolitan Phoenix, River Conservator of the Year by the Roaring Fork Conservancy and was named Man of the Year by the March of Dimes. He also serves on boards for various charities including the Barrow Neurological Institute, Brophy College Prep, the Phoenix Art Museum, The Buddy Program, Childhelp USA, UMOM New Day Centers, Challenger Center for Space Science Education, TGen Foundation, Cleveland Clinic Foundation, Roaring Fork Conservancy, Phoenix Children's Hospital, Arizona Heart Foundation and is Founding Chairman of the Datatel Scholars Foundation.

As a prostate cancer survivor, Kendrick has made significant contributions over the years to fund research in that field and in 2013, the Cleveland Clinic created The Kendrick Family Chair for Prostate Cancer Research.

Among the other endowments funded by Kendrick are Project Excellence, an educational program for inner-city youth at Phoenix Country Day School (PCDS) whose mission is to enrich, engage and empower first-generation students (the first in their families to prepare for higher education) from local public schools and the Loyola Academy, which provides education to sixth, seventh and eighth graders at Brophy College Prep who demonstrate academic promise but have had limited educational opportunities. In addition, Kendrick has supported the Tuzos Soccer Club since 2009 to underwrite the team's expenses with costs for registration, field-use fees, uniforms and equipment. The Club allows players from low-income families the opportunity to play in high-level tournaments, where players can be seen by college soccer coaches, and have the opportunity to receive scholarships.

An avid baseball card collector his entire life, Kendrick owns the famed 1909 T206 Honus Wagner card that was once owned by hockey great Wayne Gretzky. The Wagner card and 34 other iconic and rare baseball cards in Kendrick's collection, titled "The D-backs Collection," were previously displayed at the National Baseball Hall of Fame and Museum in Cooperstown, N.Y., and at the Phoenix Art Museum.

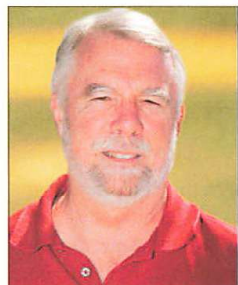

A native of Princeton, W.Va., Kendrick is an alumnus of West Virginia University in Morgantown and sits on the Board of Directors for the WVU Foundation. In 2016, Kendrick spearheaded the dedication of a memorial statue and helped his alma mater endow a scholarship in the name of the late WVU basketball player "Hot Rod" Hundley. In 2014, he was named Philanthropist of the Year by WVU, one year after receiving an honorary doctorate from the university, considered higher education's most prestigious recognition.

Kendrick is the founder of the Center for Free Enterprise at WVU and he and his wife have established programs at WVU's College of Business and Economics focused on free-market research and at the WVU Eye Institute to support children's vision outreach programs. Kendrick funded the WVU Hall of Traditions, which provides a first-class showcase for the tradition of Mountaineer football and serves as a recruiting focal point at WVU. In 2006, Kendrick was inducted into the state of West Virginia's Business Hall of Fame and was also named to the WVU Academy of Distinguished Alumni. In 2011, he was inducted into the inaugural Roll of Distinguished Alumni at WVU's College of Business and Economics. He also sits on an advisory board of the University of Charleston in Charleston, W.Va., where he received an honorary Doctorate degree in 2005.

Last June, torrential rains over parts of West Virginia caused devastating flooding in many counties and Kendrick came to the aid of his home state, setting up a relief program that raised more than \$1 million.

Kendrick and his wife founded the Freedom Center at the University of Arizona to promote, along four dimensions, the understanding and appreciation of the ideals of freedom and responsibility via published research, undergraduate education, graduate education, and community outreach. The Freedom Center also endows the Kendrick Chair in Philosophy and Economics.

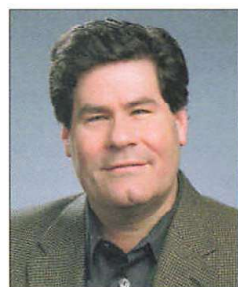

MIKE CHIPMAN

Mike Chipman is one of the general partners who possess the largest financial stake in the franchise and in that capacity, routinely provides business insight regarding the future of the D-backs.

A graduate of the U.S. Air Force Academy with a degree in Computer Science, Chipman spent five years in the basic research arm of the Air Force, attaining the rank of Captain before resigning his commission to pursue a career in civilian life. He spent the next few years as a research scientist working in the area of computational physics, principally at Science Application International in La Jolla, Calif.

Chipman then made a huge impact in the computer software industry in the early 1980s when he and his wife, Evy, founded ChipSoft, Inc., the original owner and developer of TurboTax®, the leading income tax preparation software program for consumers and small businesses. Chipman served as President and Chief Executive Officer of ChipSoft until 1990 and Vice Chairman until 1993, when ChipSoft and TurboTax® were merged with Intuit, Inc. ChipSoft grew from a spare room operation in the Chipman's home to a 550-person public company by the time he retired from the business.

JEFF ROYER

Jeff Royer is a General Partner of the Team. Royer's love for baseball began in his youth as a devoted fan of Warren Spahn, the record-setting, left-handed pitcher of the Milwaukee Braves.

The University of Georgia recently elected Kendrick to its Board of Visitors and its Magill Society and last year, he served as the annual guest lecturer at the UGA Terry College of Business Leadership program, a distinction recently shared by Falcons owner Arthur Blank and the legendary Warren Buffett.

In 2014, Kendrick was inducted into the Sigma Nu Fraternity National Hall of Fame, an honor bestowed upon less than 60 people in the nearly 150-year history of the organization. Among those enshrined are "Bear" Bryant, Pat Riley, Archie and Eli Manning, Harrison Ford, broadcasters Al Michaels and Joe Buck, as well as former Major League managers Dick Howser and Dallas Green. He was inducted into the Aspen Trashmaster's Golf Hall of Fame in 2014, and in 2015, he received the Angel Award (Man of the Year) from The Buddy Program.

Kendrick was honored recently with the prestigious Herman W. Lay Memorial Award by the Association of Private Enterprise Education, named for the former Chairman of the Board of Pepsi. The award honors individuals who have emulated the pattern of success and philanthropy that Lay lived while representing the best that the free enterprise system produces.

He and Randy have two children, Cal and Catie, and make their home in Paradise Valley, Ariz.

DERRICK HALL

PRESIDENT & CEO

Considered by many to be among the leaders of the game, D-backs President & CEO Derrick Hall has turned the organization into a model franchise within the sports industry and throughout the business world during his 11 years at the helm of the club. Hall focuses the organization's efforts in five areas he has called the "Circle of Success" - fan experience, performance, community, culture and financial efficiency - each of which has seen tremendous growth during his tenure.

The success of the franchise during Hall's tenure has led to numerous honors, including *ESPN the Magazine* tabbing the D-backs as the top Major League franchise in 2013 and sixth overall among the 122 professional sports franchises in the publication's Ultimate Standings, which is based on eight categories on and off the field.

The *Arizona Republic* named Hall one of 16 Arizonans to watch in 2016, citing his "positive influence [that] grows larger by the year" as someone who "works effortlessly to promote Metro Phoenix and the state." He was also named by Rise Global to its list of 100 Most Influential CEOs, a group that includes names such as Rupert Murdoch, Richard Branson, Elon Musk, Warren Buffett, Tim Cook, Biz Stone, Marissa Mayer and Larry Ellison.

With a focus on creating the best fan experience in all of sports, Hall has succeeded in accomplishing that goal at both Chase Field and at Salt River Fields at Talking Stick, the D-backs' Spring Training home near Scottsdale. Stadium enhancements at Chase Field that have taken place under Hall's guidance include the APS solar shade structure and Game Seven Grill in the plaza area, HD scoreboard in center field, the Sandlot on the upper level, the Coors Light Strike Zone, All-You-Can-Eat Seats, The Draft Room and value-item pricing at concession stands and Team Shop locations throughout the ballpark, as well as the recently renovated merchandise and concessions experience. Hall also installed, named and created a FAWTSY (Find A Way To Say Yes) customer service policy throughout the organization to further improve upon the extraordinary fan experience, as *Arizona Football* magazine tabbed Chase Field as the Best Sports Venue in Phoenix in 2014. Last year marked the 10th consecutive season that the team offered the lowest Fan Cost Index in the Majors.

In 2016, the D-backs took the innovative step of evolving the team's on-field attire, a two-year process that was led by Hall and his leadership team with input from the players and fans. This includes eight distinct uniform options and the reintroduction of one of the franchise's popular original colors, teal, as well as a bold gray color for the team's road uniforms. In addition, a sublimated diamond pattern adorns the shoulder, back and sleeve on various uniforms, a subtle reference to the club's name, snakeskin and diamond shape of a baseball field.

Hall's leadership has helped guide the D-backs to two National League West Division Championships (2007, '11) and one NLCS (2007). In 2016, Hall and Managing General Partner Ken Kendrick hired Executive Vice President & General Manager Mike Hazen to oversee the franchise's baseball operations. In turn, Hazen hired Torey Lovullo to serve as the eighth field manager in team history.

On the heels of negotiating the largest financial transaction in franchise history - a historic 20-year television rights deal with FOX Sports Arizona which started in 2016 - Hall and the baseball operations staff brokered the largest free agent signing in franchise history when the team signed right-handed pitcher Zack Greinke to a six-year deal with the largest average annual value in baseball history.

In the community, Hall has positioned the D-backs as one of the largest philanthropic entities in the Valley. In 2017, the Arizona Diamondbacks Foundation and the D-backs' organization surpassed the \$50 million mark in charitable giving since their inception in 1998, including nearly \$40 million in the past 11 years

under Hall's direction. In 2014, the team launched the D-backs Give Back Jersey program which will outfit more than 50,000 youth players across nearly 100 leagues this season. During the 2013 Yarnell Hill fire, the D-backs were able to give back more than \$700,000 on behalf of their fans to the families of the 19 firefighters who lost their lives. In 2008, Hall established the Michael Wogan Season Ticket Scholarship Program, a first-of-its-kind program for fans or existing season ticket holders who may have experienced a change in circumstances, providing families with more than 400 full-season tickets for a value of nearly \$700,000 since its inception.

The unique corporate culture of the D-backs, which was created by Hall, led Yahoo! and *Forbes* to deem the club among the "best places to work in sports." In 2013, the sports industry's highly regarded recruiting network TeamWork Online tabbed him as the "Best Boss" in sports, and the organization has been named on several occasions as the "Most Admired Company for Workplace Culture" by *AzBusiness Magazine* and *BestCompaniesAZ*. Fittingly, the D-backs' physical front office was rebranded the D-backs Culture & Innovation Center right before being rated No. 1 on Ranking Arizona's Best Places to Work list among small businesses.

Among the programs Hall has created is the President's Council, comprised of select members of the executive management team and a rotating committee consisting of the organization's Employee of the Month winners, to organize company culture events throughout the year. He also established employee recognition programs like "A-Game All-Stars" to reward game-day employees for exceptional service on a monthly basis throughout the season. The organization's investment in its employees resulted in the D-backs becoming the first sports organization to be named among the "Best Places to Work" by the *Phoenix Business Journal* for 10 consecutive years from 2007-16.

In the last 12 years, the team has eliminated more than \$210 million of debt through equity and debt restructures, putting the club on sound financial ground for years to come.

The organization continues to rack up awards and honors under Hall's leadership, including the being honored by the Dominican Republic Sports & Education Academy (2016), One Community Spotlight on Success (2015), Make-A-Wish Foundation's Chris Greicius Award (2014), the Phoenix Indian Center's Leon Grant Spirit of the Community Award (2014), Greater Phoenix Chamber of Commerce, IMPACT Award - Community Champion (2013), Arizona's Corporate Excellence Community Impact Award (2013), City of Phoenix Equal Opportunity Department - Excellence Award (2013), Arizona Business Leadership Award (2012), "Organization of the Year" (2011) and the DREAMR award (2012) by the Downtown Phoenix Partnership, "Most Admired Company" and "Top Leadership" by *AzBusiness Magazine* (2011). In 2010, the D-backs were given the inaugural United Nations NGO Positive Peace Award, which named the D-backs the most positive team in the world.

Hall's vision to further establish the organization as a sports industry leader while spurring economic development and impact throughout the Valley came to fruition in 2011, as the team hosted the Major League Baseball All-Star Game at Chase Field for the first time ever, creating an economic impact of more than \$67 million. Hall's persistence in convincing MLB to award the Midsummer Classic to the D-backs allowed Chase Field and downtown Phoenix to be showcased in more than 100-million homes across the world, while working diligently with city leaders, politicians and officials to ensure that fans had the finest All-Star Game experience.

Salt River Fields at Talking Stick, the D-backs' 140-acre Spring Training facility shared with Colorado Rockies on Salt River Indian Community land near Scottsdale, Ariz., that Hall negotiated and designed, has greatly added to the already \$350 million of economic impact for the Valley associated with Spring Training each year. In both 2011 and '12, the D-backs set a franchise record for Spring Training attendance while the two clubs set an all-time Major League record for combined attendance at a single Spring Training facility. Salt River Fields was the first pro sports training facility in the U.S. to be built on tribal land and was privately funded without the use of any taxpayer dollars. The facility received LEED-Gold certification from the U.S. Green Building Council in 2011, the first venue of its kind to achieve this designation.

Hall's vision for Salt River Fields was to keep fan interaction with players a top priority while also ensuring maximum comfort for visitors at the 11,000-seat ballpark. Both goals were accomplished, as the main stadium is located in the middle of the facility to enable fans to mingle throughout and get an up-close look at D-backs players as they practice. A unique roof structure and a northeast-facing field allow for approximately 85 percent of the fans in all 7,000 fixed seats to be shaded as the game progresses.

Hall routinely communicates with D-backs fans as part of his "one fan at a time" concept by answering every letter, email or phone call. He conducts monthly chats online and is among just a few club presidents on Twitter and Instagram (@DHallDbacks), where he interacts with fans. Hall spends most of his time at home games communicating with the fans in the stands to ensure their experience at Chase Field is exceptional.

Among the projects outside of Chase Field and Salt River Fields that have Hall's fingerprints on them is the Legends Entertainment District, a joint venture between the D-backs, the Phoenix Suns and the City of Phoenix that is the first of its kind between two professional sports organizations. The project has transformed the look of downtown Phoenix by creating experiential outdoor marketing opportunities and an energetic backdrop for visitors and residents to enjoy their experience downtown.

Hall was personally selected to join a handful of corporate leaders by Governor Doug Ducey as one of his first orders of business to form a new pro-business group. The Arizona Zanjeros, as named by Ducey, are focused exclusively on economic development, defining Arizona's brand, and marketing the state to CEOs across the country and around the world. In 2015, he joined the Governor's important delegation on a week-long trip to Israel.

Hall sits on Major League Baseball's International Committee and under his guidance, the D-backs hosted the first round of the 2013 World Baseball Classic. Hall has represented the team on goodwill trips to Mexico, Japan, the Dominican Republic, Australia and New Zealand, helping to bring international recognition to the franchise. In 2014, his continued efforts to showcase the D-backs on global stage reached its highest point, as the club hosted the Dodgers during MLB's historic Opening Series in Sydney, Australia, which was subsequently named the International Sports Event of the Year.

Hall also serves on MLB's diversity committee and the Commissioner's on-field diversity task force and in that regard, the D-backs have also been industry leaders. In 2016, the team hosted the highly regarded MLB Business Diversity Summit in Arizona in an effort to bring more diverse candidates into front offices around the game. For its efforts, the team was awarded the Jackie Robinson Most Valuable Diverse Business Partner award by Major

League Baseball. The team has been named for three consecutive years to the Arizona Hispanic Chamber of Commerce's Million Dollar Circle of Excellence as an organization that spends more than \$1 million annually with minority or women-owned businesses. In 2014, the D-backs became the first MLB organization to sign One Community's Unity Pledge which supports and advocates for workplace inclusion and protection for all, including LGBT community members. For his commitment to equality, Hall received the prestigious Torch of Liberty Award from the Anti-Defamation League (ADL) in 2014. The award, ADL's highest honor, was established to recognize individuals who have exhibited extraordinary humanitarianism, and whose everyday actions exemplify the principles of opportunity, anti-discrimination, equal rights, community involvement and fairness for all.

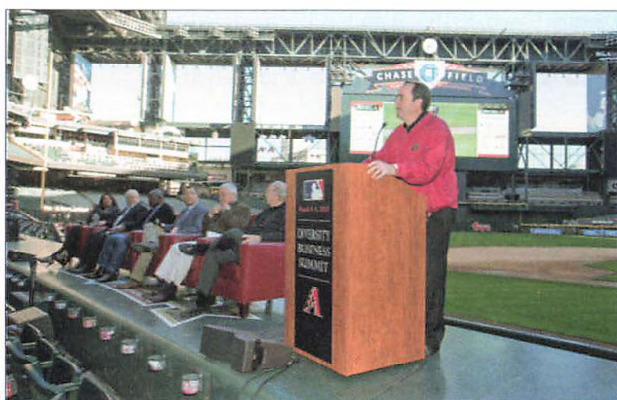

Hall currently serves on or is associated with 25 boards, including the Arizona Mexico Commission, Great Hearts Academies, Arizona Chamber of Commerce, ArizonaOn, Greater Phoenix Convention & Visitors Bureau, National Vice President of the Muscular Dystrophy Association, National Advisory Council for Pancreatic Cancer, Stand Up 2 Cancer Melanoma Dream Team Sponsor, Cancer Treatment Centers of America, Valley of the Sun YMCA and Positive Coaching Alliance. Hall, who is the past Chairman of the Board for Make-A-Wish Arizona and current board member for Make-A-Wish America, is also a past Chairman of the Board for the Valley of the Sun United Way, where he raised \$47 million throughout the Phoenix area as the VSUW's 2009-10 campaign chairman. He has also raised money by serving as an event chairman for the Prostate On-Site Project (POP) Walk, 75th Anniversary March of Dimes, March for Babies Walk, The Wellness Center, several Juvenile Diabetes Research Foundation (JDRF) events, Southwest Autism Research & Resource Center (SARRC), St. Vincent de Paul, Florence Crittenton and the Foundation for Blind Children.

Hall served as master of ceremonies at the 2015 Arizona inaugural ceremonies and gives numerous keynote speeches to various groups or conventions throughout the country about his unique vision on leadership, customer service and culture. He has spoken to U.S. Air Force Academy cadets at the annual National Leadership and Character Symposium. He donates speaking engagement fees back to the Arizona Diamondbacks Foundation and other local non-profit organizations he supports.

A native of Los Angeles, Hall joined the D-backs in May 2005 as Senior Vice President, Communications and served in numerous capacities prior to being named president in September 2006 and adding the title of CEO in January 2009. Prior to joining the D-backs, Hall made a brief stop as Senior Vice President, Corporate Communications for a Fortune 500 company based in Los Angeles, where he increased brand awareness. He spent parts of 12 seasons with the Los Angeles Dodgers, joining the organization's Single-A Florida State League affiliate in Vero Beach, Fla., as an intern in 1992 and departing as the club's Sr. Vice President, Communications in 2004. In between, he served key roles during three ownership changes with the Dodgers and was recognized for reuniting Fernando Valenzuela with the organization after hiring him as a color analyst for the team's Spanish radio broadcasts in 2003.

Derrick Hall hosted the first-ever, all-employee First Friday on Jan. 25 at Salt River Fields.

Derrick Hall speaks at the MLB Diversity Business Summit on March 9, 2016 at Chase Field.

Hall stepped outside of baseball for employment during the 1999 season, as he hosted a three-hour morning talk show on the Dodgers' flagship station (XTRA 1150 AM) and served as host of the "Dodger Game Day" pregame radio show when the team played at Dodger Stadium. He also had a stint in front of the camera as a weekend sports anchor at KNBC-TV (Ch. 4) in Los Angeles.

He received a bachelor's degree from Arizona State University, where he was named "Man of the Year" in 1991, in broadcasting and journalism and a master's degree from Ohio University in sports administration. In 2016, he received ASU's prestigious Founder's Day Alumni Achievement Award, becoming the first student in school history to receive both that honor and the ASU Young Alumni Achievement Award, which he received in 2003. Following successful surgery to remove his prostate, Hall is now cancer free and has become a tireless advocate of cancer-fighting charities while continuing to speak publicly about the health challenge he faces. In 2014, he launched his own 501(c)(3) organization, the Derrick Hall Pro-State Foundation, which is dedicated to serving as a comprehensive tool for those who have been diagnosed with prostate cancer and their families to help them understand the challenges and choices they face and how they can maintain a "pro" state of mind. In 2014, he was honored with the USC Institute of Urology's Louis Zamperini Courage Award and the Pro-State Foundation was honored by Jane Seymour's Open Hearts Foundation, which supports organizations that are committed to positively impacting lives in the areas of health, education, arts and sports.

Hazen joined the D-backs from the Boston Red Sox where he spent the previous 11 seasons, which included World Championships in 2007 and 2013. Most recently, he served as Boston's Sr. Vice President & General Manager following 4 seasons as the club's Assistant GM. In that role, he oversaw or was involved in every aspect of baseball operations, including player acquisitions, player evaluation, contract negotiations, professional scouting and amateur scouting.

He and his wife, Nicole, reside in Phoenix and have 4 sons: Charlie, John, Teddy and Sam.

CULLEN MAXEY

EXECUTIVE VICE PRESIDENT, BUSINESS OPERATIONS

Cullen Maxey is in his 11th season with the Arizona Diamondbacks in 2017 and eighth as Executive Vice President, Business Operations. Maxey oversees all revenue-generating departments throughout the organization, including Analytics, Broadcasting, Communications, Community Affairs, Corporate Partnerships, Special Projects/Fan Experience, Game Operations/Multimedia Production, Marketing, Spring Training and Ticket Sales & Service.

Since joining the D-backs as Vice President, Corporate Partnerships, Maxey has stimulated revenue generation throughout the organization by enacting an inclusive strategic planning process and a proactive sales and service approach.

Under his leadership, the Corporate Partnership team has increased revenue more than 50 pct., while decreasing the marketing inventory and total number of partners. In 2016, the D-backs teamed up with PetSmart to create the first season-long dog-friendly ballpark with a dedicated new PetSmart Patio and "Dog Days of Summer" program, two concepts developed by Maxey.

For the sixth consecutive year, the D-backs hosted the Most Valuable Partner awards program, a first-of-its-kind concept created by Maxey as a more effective way to teach marketing practices year round in a captivating way that motivates partners to participate. The on-stage production and dinner showcases the winners of each category and has garnered local and national attention, just one of the ways the D-backs seek to provide a better return for corporate partners. It has been lauded as a revolutionary way of improving the business-to-business summit in sports.

The D-backs' fundraising and community giving have reached its highest levels, as the team and Arizona Diamondbacks Foundation have now given back more than \$50 million since their inception and raised more than \$35 million since 2009. The D-backs Give Back Jersey Program was a huge success in its first year and will expand to nearly 100 youth leagues and 50,000 athletes this year, each of whom will be wearing D-backs uniforms. Additional community programs created during his tenure include the Back-to-School Challenge which has awarded \$650,000 to local schools; the 50/50 raffle which has raised more than \$3 million for the community; the annual Celebrity Golf Classic benefiting military veterans programs; and the annual Race Against Cancer benefiting cancer-related charities throughout the Valley. Maxey also created the D-backs Executive Council which brings together key executives throughout the Valley to contribute ideas, help fundraise and assist in executing the team's philanthropic efforts.

The D-backs' ticket sales strategies have continued to pay off, as an increased focus on business analytics has allowed the team to increase total ticket revenue, season ticket revenue, group sales and suite sales in each of the past seven seasons despite a challenging sales climate. Maxey led the development of a season-ticket holder advisory board to gain a better perspective from the most valued customers, and the team created the Season Ticket Advantage program to continue to service those fans.

Maxey played a key role in directing his business operations team to ensure the success of the 2011 All-Star Game, which was played at Chase Field for the first time ever, the 2013 World Baseball Classic and 2014 Opening Series in Sydney, Australia. In 2016, the D-backs took the innovative step of evolving the team's on-field attire, a two-year process lead by Maxey's team. He has also played an integral role in the creation and execution of Salt River Fields at Talking Stick, the Spring Training facility on Salt River Indian Community land and the multi-million dollar Legends Entertainment District, the team's unique partnership with the Phoenix Suns that has helped revitalize downtown Phoenix. With 55,000 square feet of dynamic outdoor digital and static signage opportunities, the project developed new revenue for both teams while helping promote ticket sales and deliver team messages to more than 8-million annual visitors and 700 diverse events per year.

Maxey's path to the D-backs began with revenue generating positions at the Phoenix Suns from 1997-2001. He served as VP of Corporate Sales for the Phoenix Coyotes from 2001-04, which was highlighted by the opening of their new arena in Glendale. Prior to joining the D-backs, Maxey spent two years as the General Manager of Sun Devil Sports Marketing for CBS Collegiate Sports Properties, the multimedia rights holder at Arizona State University Athletics.

The Phoenix native is a member of the Highlanders and serves on the board for the Arizona Diamondbacks Foundation, Boys & Girls Club of Metro Phoenix, St. Joseph's Hospital and Medical Center Foundation and the Special Olympics of Arizona. He and his wife, Brenda, have two children, Will and Lizzie, and reside in Chandler.

John Fisher is in his 10th year with the Arizona Diamondbacks in 2017, and seventh as the organization's Senior Vice President, Ticket Sales & Marketing. Fisher oversees all groups, suites and season ticket sales, service and ticket operations as well as all marketing efforts for the D-backs.

Fisher, who became a team Vice President prior to 2010, originally joined the D-backs in October 2007 as Director, Season Ticket Sales and Service and managed a staff of season tickets sales representatives that set an organizational record in new ticket package revenue for the 2008 season. His team increased the organization's full-season equivalents in 2008 for only the second time in franchise history and second time since 2002 after winning the World Series in 2001. Fisher also managed the season ticket service staff that achieved renewal rates of around 80 percent entering the 2009-10 seasons despite the downturn in the economy.

CRAIG BRADLEY

VICE PRESIDENT, FINANCE

Craig Bradley enters his 19th year with the Dbacks and 10th as VP, Finance. He works closely with management as well as overseeing the accounting, purchasing, revenue sharing, reporting, Dominican and other business operations and is a member of the Club's Risk Management Committee.

Joining the team in September '97 as Business Manager of Baseball Operations, Bradley worked alongside former GM Joe Garagiola, Jr., and other staff in setting up the Minor League system, Dominican Academy, scouting and Major League operations. Prior to the inaugural '98 season, he oversaw the completion and start-up of the Tucson training complex and consulted on the development of the new facility at Salt River Fields. In '99, he identified the impact of player injuries and the effect on the player development process from a cost and appropriate time to evaluate perspective. Working with trainers, baseball executives and medical providers, he devised, implemented and managed an injury/workers compensation claim management approach that is proactive from the time an injury occurs through the doctor's final clearance. As a result, the D-backs consistently have the lowest rehab and workers compensation insurance premiums and are among the lowest in disabled list time in baseball.

Moving from baseball operations to finance in 2004, Bradley became the Controller in order to gain more experience and perspective on the operational and financial functions of the entire business. Since then, he has worked to improve business operations by implementing new accounting, forecasting and planning systems, expanded ticket revenue analysis and not-for-profit accounting, and implemented modern mechanisms for delivering funds to over 250 mobile players and staff.

Recognizing his leadership abilities, he was promoted to VP, Finance in 2006. A past member of the President Council (charged with business direction and company culture), Bradley develops effective, motivated and considerate staff while also working closely with the EVP/CFO on club debt and equity transactions, debt service compliance and other business matters.

In 2012, he lead the effort to renegotiate and extend the club's lease of its Dominican Republic training facility, revamping the leadership there, managing facility improvements, and implementing policies to improve operations. Also in 2012, with the intent to increase community volunteerism amongst D-backs employees, identify and develop leaders, and build upon D-backs culture, Bradley created the D-backs Give Back League (DGBL). Over 100 employees joined together to form nine teams from 2012-14. Each team created a plan to reach into the community. From homelessness, to foster care, youth education, at-risk populations, and the hungry, the DGBL's impact each year has been tremendous. While truly volunteer oriented, the DGBL still resulted in over \$375,000 and \$500,000 in cash, in-kind, and time donations each year. Bradley was awarded the D-backs' first ever Innovation Award in 2012 for his efforts.

A CPA, Bradley worked as the Asst. GM, Business Operations for the Phoenix Firebirds of the Pacific Coast League from 1994-97. With the Firebirds, he was responsible for game and stadium operations, season tickets, ticket operations and merchandising. After graduating from Arizona State University in 1988, he joined the firm of Arthur Andersen & Co. before moving into the construction and manufacturing industries. He played baseball for the Sun Devils from 1983-85, earning a junior varsity letter.

ROLAND HEMOND

SPECIAL ASSISTANT TO THE PRESIDENT & CEO

One of the most respected and experienced executives in baseball, Roland Hemond is in his 10th season during his second tour of duty with the Arizona Diamondbacks in 2017. He rejoined the D-backs midway through the 2007 season as Special Assistant to the President & CEO and in 2011, was selected as the second recipient of the

Buck O'Neil Lifetime Achievement Award by the National Baseball Hall of Fame and Museum's Board of Directors for his extraordinary efforts to enhance the game's positive impact on society. Presented with the award in Cooperstown, N.Y., the honor is bestowed upon an individual whose efforts broadened the game's appeal and whose character, integrity and dignity is comparable to the late O'Neil, who passed away in 2006 after eight decades of contributions to the game. O'Neil was honored as the first recipient of the award in 2008.

Since joining the D-backs, Hemond has provided counsel to Derrick Hall and strengthened the D-backs' relationships throughout Major League Baseball while enhancing the organization's initiatives in Mexico. For three consecutive Spring Trainings from 2008-10 and again in 2015, the D-backs played exhibition games in Hermosillo, Mexico. He has regularly represented the team at the annual First-Year Player Draft at MLB Network's headquarters.

In 2015, the D-backs dedicated Roland Hemond Field which is located at Alkire Park in Phoenix and was the team's 35th field in the "Diamonds Back" Field Building Program, presented by APS.

A 3-time winner of MLB's Executive of the Year award, Hemond has 66 years of professional baseball experience, including 23 seasons as a general manager with the White Sox (1971-85) and Baltimore Orioles (1988-95) and five seasons as Senior Executive Vice President with the D-backs (1996-2000). He later served as Executive Advisor with the White Sox (2000-07) until rejoining the D-backs. Hemond, who is considered the architect of the highly successful Arizona Fall League that began in 1992, is a nationally recognized ambassador of the game and a highly sought-after speaker. His professionalism, friendliness and willingness to contribute ideas and advice are attributes unmatched in the industry.

He was inducted into the Boston Braves Historical Association Hall of Fame (2007), was presented with the prestigious William J. Slocum Award at the New York baseball writer's dinner and the Honors Award from the Baseball Coaches of America (2006). In 2003, Hemond was honored with the esteemed Branch Rickey Award, presented by the Rotary Club of Denver to individuals in baseball who contribute unselfishly to their community and who are strong role models for others. He was the first non-uniformed person to receive the award.

During his first stint with the White Sox, Hemond was named Executive of the Year in 1972 and 1983. The 1972 White Sox went 87-67 for the organization's first winning record in five seasons. The 1983 club went 99-63 and won the AL West Division title by 20 games, which was then a record for largest winning margin.

While with Baltimore in 1989, Hemond was tabbed Executive of the Year for the third time after the Orioles improved 32.5 games from the previous season and made a 22-game improvement in the standings. During his tenure with the White Sox and Orioles, Hemond negotiated 135 trades involving 428 players.

Hemond was honored by Minor League Baseball for his longtime dedication and service to the game as the 2001 "King of Baseball." Hemond's baseball career began in 1951 as a front office member of the Eastern League's Hartford Chiefs. He also worked with the Boston/Milwaukee Braves from 1952-60 before being hired as Scouting and Farm Director of the Los Angeles Angels in 1961. Hemond remained in that role until joining the White Sox in September 1970.

Hemond is president of the Association of Professional Ballplayers of America, a non-profit organization that helps former and current players and baseball personnel in need. Along with White Sox executive and former agent Dennis Gilbert and scouts Dave Yoakum and Harry Minor, Hemond helped found the Professional Baseball Scouts Foundation to provide assistance to longtime scouts who are in need of special support. In 2016, the organization gave Hemond its first and only Outstanding Achievement Award at its annual awards reception.

Four annual awards are named in Hemond's honor: the first is presented by the White Sox in honor of those dedicated to bettering the lives of others through extraordinary personal sacrifice; the second is the *Baseball America* Award, presented to the person who has made major contributions to scouting and player development; the third is the SABR Award, given to the executive who has displayed great respect for scouts; and the final one is presented by the D-backs to the individual in scouting who exemplifies the qualities of strong character, dedication to the D-backs' organization and an unflinching work ethic in the search for championship-level talent. Hemond was the inaugural recipient of both the Baseball America and SABR awards. He received an honorary degree in Humane Letters from the University of Phoenix in 2006 and has encouraged baseball players, coaches and front office personnel to pursue their college degrees with the University of Phoenix online program, as well as other colleges. Hemond was named an honorary member of Princeton University's 1954 class after speaking at a sports symposium at the university in 2009.

In his role, he assists the organization both on and off the field, working primarily with the team's Minor League pitchers while also assisting in the community.

In 2015, Johnson reached the pinnacle of his career as he was inducted into the National Baseball Hall of Fame in Cooperstown, N.Y., becoming the first player to feature an Arizona Diamondbacks cap on his plaque. The 5-time Cy Young Award winner (4 with the D-backs), ranks second on the all-time Major League strikeout list with 4,875 and first among left-handers. A 10-time All-Star, he won 303 games in his career, including a perfect game, and holds nearly every major career pitching record in D-backs franchise history.

Shortly after returning from Cooperstown, Johnson had his No. 51 retired by the franchise, becoming just the third player to receive that honor, joining Luis Gonzalez (No. 20) and Jackie Robinson (No. 42).

In 2001, Johnson was named the co-MVP of the D-backs' World Series Championship, helping the franchise win the only major sports title in the state's history in just the fourth year of the franchise's existence. After striking out 11 New York Yankees in a 3-hit shutout in Game 2, Johnson pitched 7.0 innings to earn the victory in the do-or-die Game 6 and then came on in relief during Game 7 to earn the victory. Of the team's 11 postseason wins that year, Johnson earned 5.

Johnson appeared in 22 big league seasons for the Expos, Mariners, Astros, D-backs, Yankees and Giants. His 303 career victories rank as the fifth-most by a left-hander in Major League history, while he holds 5 of the 7 highest single-season strikeout totals by a southpaw in modern history. His 5 Cy Youngs rank second all-time to Roger Clemens' seven and he is 1 of 2 pitchers to win the award 4 consecutive times (1999-2002) along with Pedro Martinez. In 1999, Johnson joined Gaylord Perry in the rare feat of winning the award in both the American and National Leagues.

A 9-time strikeout king and 4-time earned-run average champion, Johnson was regularly clocked above 100 mph. during his playing career, leading to numerous incredible single-game performances. He struck out 20 batters in a game on May 8, 2001 vs. Reds and holds the Major League record for most strikeouts in a relief appearance (16 @ Padres on July 18, 2001). On May 18, 2004, Johnson became the oldest pitcher in Major League history to throw a perfect game when he accomplished the feat @ Braves. The left-hander also pitched a no-hitter for the Seattle Mariners on June 2, 1990 vs. Tigers and is one of five pitchers to throw a no-hitter in both the American and National League.

Johnson retired from baseball in January 2010 and on Jan. 6, 2015, was elected to the National Baseball Hall of Fame in his first year of eligibility with 97.3-percent of the vote, the third-highest percentage of all time for pitchers. He was inducted into the Seattle Mariners' Hall of Fame in 2012.

retail business, baseball outreach efforts, Spring Training business operations, Alumni Association, the renovation and sustainability planning of Chase Field and serves as the club contact for all MLB special events.

This season, the Special Projects team will launch the Arizona Diamondbacks Sustainability Program to improve overall environmental performance and serve as a leader in sustainability. Using baseball as the platform, the program aims to positively affect environmental change while creating awareness throughout Arizona.

Prior to the 2016 season, the D-backs took the innovative step of evolving the team's on-field attire, a two-year process in which Rossini played a leading role. This includes eight distinct uniform options and the reintroduction of one of the franchise's popular original colors, teal, as well as a bold gray color for the team's road uniforms. In addition, a sublimated diamond pattern adorns the shoulder, back and sleeve of various uniforms, a subtle reference to the club's name, snakeskin and diamond shape of a baseball field. Armed with the support of D-backs ownership, and the Office of the Commissioner, the D-backs worked closely with licensees Majestic, New Era and Nike to develop the new look that was designed by D-backs graphic designers with support from MLB Design Services.

Rossini and his team have worked with Levy Restaurants & Retail Group on many enhancements to the D-backs' decorated fan experience. The entire Chase Field retail footprint was redesigned prior to the 2015 season to include additional square footage, state-of-art payment technology, walk-in concept shops and the addition of a mobile merchandise truck. Additionally, several new food concepts were added, including specialty locations that feature craft beer, innovative desserts, local food brands and restaurant concepts. Under his direction, the Special Projects team is also tasked with the future planning and development of 19-year old Chase Field and previously directed the revenue-generating enhancements and renovation of luxury suites, The Draft Room, All-You-Can-Eat Seats, Legends Conference Center, American Airlines Lounge, Mountainside Fitness Club and Game 7 Grill.

Rossini also oversaw the design, construction and business planning of Salt River Fields at Talking Stick, the D-backs' award-winning Spring Training complex. The facility opened in 2011 and was a finalist for Sports Facility of the Year from the *Sports Business Journal*. Salt River Fields also achieved LEED-Gold certification from the US Green Building Council in 2011, becoming the first venue of its kind to achieve this designation. Since opening, the complex holds the top six all-time Spring Training attendance records and led all of baseball in total and average attendance each season, while D-backs Minor League affiliates have made 23 playoff appearances and won nine league titles during this span. This season, Rossini will spend time evaluating future plans for the D-backs Academy in the Dominican Republic.

As the primary club contact for the acquisition and execution of Major League Baseball jewel and international events, Rossini helped lead the D-backs' successful efforts to host the 2011 All-Star Game, 2011 Postseason, and 2013 World Baseball Classic. He also coordinated the 2014 MLB Opening Series in Sydney, Australia, and the 2015 D-backs exhibition game in Hermosillo, Sonora Mexico.

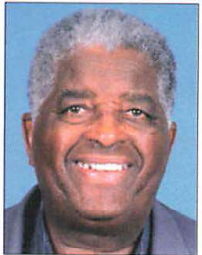

The Mobile, Ala., native also oversees the D-backs Baseball Academy, the organization's official baseball camps and outreach programs. He and his staff introduced the annual D-backs Alumni Game which debuted in 2012 and the Collegiate Baseball Series in 2015.

Prior to joining the D-backs in February 2008, Rossini spent six years as the Director of Baseball Operations at Arizona State University. Rossini graduated cum laude from ASU's W.P. Carey School of Business with a degree in Business Management in 2002 and a Masters of Business Administration with an emphasis on leadership in 2011. He was named to the 2015 class of *Phoenix Business Journal's* 40 Under 40 and is an active board or council member of several organizations, including Downtown Phoenix Partnership, TGen Ambassadors, The Society of St. Vincent de Paul's 'The Vinnies,' Downtown Phoenix Warehouse District, ASU National Alumni Council and Green Sports Alliance.

REMEMBERING JOE BLACK

Major League Baseball and the Arizona Diamondbacks suffered a great loss with the passing of Joe Black on May 17, 2002. Black began his playing career in the Negro Leagues and shuffled through various professional leagues before making his Major League debut in 1952 with the Brooklyn Dodgers as a teammate of Jackie Robinson. Black made baseball history as a rookie when he became the first African-American pitcher to win a World Series game and eventually was named the National League Rookie of the Year.

Black remained an integral part of baseball following his playing days. As Vice President of B.A.T. (Baseball Assistance Team), he dedicated his time to helping fellow baseball players who had fallen on hard times. He contributed his vast knowledge of the game as a consultant to the Commissioner's Office. A Phoenix resident, Black worked in the D-backs' Community Affairs department and shared his stories as a guest speaker for numerous community groups.

Beyond baseball, Black was a pioneer in the business world and worked tirelessly to impact the civil and human rights advancements for minorities.

In remembrance of him, a baseball bearing his name hangs from the rafters of Chase Field.

The Arizona Fall League honors his memory with the Joe Black Most Valuable Player Award:

SNAKE BITES – GRÉGOR BLANCO

- Grew up in Venezuela with 2 brothers – a twin and 7 years younger...his twin, Grégory, played in the Angels and Pirates Minor Leagues as a catcher but left to be a physical education teacher...younger brother, Gregsman, works as a jobs recruiter for the government...Yes, the 3 brothers are Grégor, Grégory and Grégsman. Why? "I still don't know. My mom said she just liked the names. She even named our house The Gregs and put up a sign."
- Grégor's mother died of brain cancer at 47...father sold insurance and now owns a taxi company.
- Grégor married his childhood sweetheart in 2010.
- Signed with the Braves at the age of 16.
- Kansas City started him in Triple-A in 2011 then traded him to the Washington Nationals, who also put him in Triple-A. Developed bone spurs in his wrist halfway through the season and had to stop playing... "It was the worst year of my career."
- Before he went on the DL, former Giants catcher Brian Johnson, a Major League scout for the Giants, saw him play in Triple-A and sent the front office a report that showed a low batting average (from the bone spurs) but a high on-base pct.
- The Nationals released him Nov. 2, 2011. "For 2 weeks I didn't have a team. I didn't know what was going to happen," Grégor says...the Giants signed him to a Minor League contract Nov. 17 while he was playing winter ball in Venezuela...he became MVP of the league playing for La Guaira...Giants hitting coach Hensley Meulens, who was coaching in the league, also put in a good word with the Giants...the Marlins were also offering a Minor League contract..."Between Bam-Bam and Pablo Sandoval, they convinced me I should sign with the Giants."
- Made a spectacular catch to preserve Matt Cain's perfect game in 2012...in the dugout, Cain came up to him and said, "What are you doing playing there? How'd you make that?"... Grégor said, "I'm there for you, man. I did it for you."
- When Cain was honored during a pre-game ceremony later on, he presented Blanco with a photo of the celebration and note thanking him...Grégor told him, "That's my job to catch the ball. And I hope it's not the last time we do something special like that. I hope we can do it again."
- In 2012, Grégor's father flew from Venezuela to Atlanta...it was the first time Hernan saw his son play in MLB.

SNAKE BITES – CHRIS IANNETTA

- Co-owns JACK Winery with former Angels teammate Vernon Wells...the name is derived from the initials of he and Wells' 4 children - Jayce, Ashlyn, Christian and Kylie.
- When both players were on the disabled list in 2012, they got to know each other well and enjoyed going to dinner and drinking wine and realized a joint business would be a way to keep in touch as their careers continued...they launched the winery with a cabernet sauvignon that offseason.
- His grandfather made wine in Italy for friends from his house, and continued to do so when he immigrated to the United States.
- Is a Reviving Baseball in Inner Cities (R.B.I.) alumnus and has stayed involved as an instructor and a coach.
- Teamed up with St. Joseph Health in Orange County in 2012 to promote fitness and nutritional education at community events that focused on low-income families.
- Majored in mathematics at the University of North Carolina and would like to eventually earn a master's degree in engineering...when he's not on the field, he enjoys reading mystery or science fiction novels as well as political works.

SNAKE BITES – CHRIS OWINGS

- Mom, Sherri, is a school teacher and visits her class when he is home for the offseason...dad, John, is a manager at Best Distributing, a roofing company.
- Played the saxophone in his grade school band.
- Comes from a very athletic family: Great uncle was a Minor League umpire, mom played volleyball and softball in college, dad played baseball in college, older brother, Kyle, pitched in the D-backs' organization in 2012 and younger brother, Connor, currently plays in the D-backs' system.
- Connor has a chronic kidney disease and is on a waitlist for a kidney transplant.
- Started playing baseball at age 4 and his parents didn't want him to hit off a tee and instead did "coach pitch" from the beginning...they stressed putting the ball in play before reaching 2 strikes.
- Was a self-described "brat" as a kid around his family...his aunt would threaten to leave him on the side of the road because he would be a pest in the car.
- Met his wife, Brittany, a cheerleader for the University of South Carolina, when they were home in Charleston, S.C. after the 2013 season...the couple got married following the 2016 season and spent their honeymoon in Maui.
- Brother, Connor, played for 2016 College World Series Champion Coastal Carolina University...due to an injury, he was able to attend the Chanticleers' 2-1 win vs. No. 1 ranked University of Florida (Connor scored the go-ahead run).

SNAKE BITES – DAVID PERALTA

- Started playing baseball at 3 years old at the encouragement of his father, who worked for Bridgestone Tires for almost 40 years.
- Played with Major Leaguers Felix Doubront, Alex Torres and Yangervis Solarte growing up.
- Favorite player growing up, since he was a pitcher, was Johan Santana (hasn't met him yet).
- At 15, was a skinny outfielder without power and pitched in a lot of tournaments...his arm caught scout's attention and told him there was a lot of outfielders so he should concentrate on pitching...signed with St. Louis at 17 in 2004 for about \$35,000.
- Was motivated to learn English after meeting his wife Jordan in Jupiter, Fla...met in a bar when her friends pinched his butt and he turned around and saw her...took a friend out on their dates to help with the language barrier then got worried that he may flirt with her, so then he learned English quickly.
- His hardest adjustment when coming to the United States was learning the different kinds of food...once went to China Buffet and thought the wasabi was guacamole and mistakenly ate a spoonful.
- Had a mid-90's fastball and a good "12-to-6" breaking ball before his first shoulder (labrum) surgery...got hurt again and thought his baseball dream was over...was released on Cinco de Mayo in 2009 and hasn't liked that holiday ever since...asked the Cardinals to allow him to stay for 2 weeks after being released so he could see his wife graduate from college.
- Parents persuaded him to try hitting again and first played in a government-run independent league in Venezuela...went back to the United States, without an agent, and was given the number of Eduardo "Eddie" Dennis, who managed the Rio Grande Valley WhiteWings (now in the Phillies' organization)...rented a car and drove to practice and was signed after his hitting session.
- Worked at McDonalds to make enough gas money to drive to Texas to play with Rio Grande...slept on an air mattress in his first season with the WhiteWings.
- Had interest from Tampa Bay and Anaheim before signing with Arizona...D-backs scout Chris Carminucci wanted him to come to Phoenix for a tryout in 2013 but couldn't afford to travel...Carminucci then came to Florida to see him hit in a batting cage in St. Petersburg...texted and called Carminucci every day but Arizona's Spring Training rosters were full so they couldn't sign him at that time...started the season playing independent baseball, and had to wait until July before signing by the D-backs.
- Met Tony La Russa while at Double-A Mobile and was speechless...thought he just wanted to talk about the Cardinals but chatted about his swing and told him that he would "see him soon"...was promoted to the D-backs 2 weeks later and cried when he got the news from his manager, Andy Green.
- Visited the MLB Urban Youth Academy in Compton, Calif., on June 14, 2014.
- Nickname is the Freight Train.

SNAKE BITES — ROBBIE RAY

- From a small town in Tennessee...had a creek running through his backyard growing up.
- Started playing baseball when he was 4...credited his parents for not pressuring him to play, thus letting him really enjoy the game and growing the love of the sport.
- Told his dad when he was 12 that he was going to become a professional baseball player and buy him a Harley Davidson motorcycle...fulfilled his promise on his dad's birthday in 2010, the year he signed his contract with Washington.
- Met his wife, Taylor, in 2012...she was a singer in Nashville and they had a mutual friend that invited them out to celebrate their birthdays...told his friend that night that he was going to marry her...when he proposed they were at a hotel and spent the evening walking around and looking at Christmas lights after a romantic dinner...proposed in front of a wishing well after tossing a penny into the well and, when she asked what he wished for, he proposed.

SNAKE BITES — FERNANDO RODNEY

- Rodney wears his hat tilted to the left for a variety of reasons, mostly in memory of his father, Ulise, who was a fisherman and wore his hat sideways to block the sun while he worked... he also cites deception to the hitter and baserunners for his hat positioning, as well as having a little fun.
- Began his bow-and-arrow save celebration on April 16, 2012 when playing for the Tampa Bay Rays...he says he doesn't know where the idea came from, it's "just something after the last out. Out 27. You know the game is over. I shoot the moon. I shoot the arrow, just to let them know game over."

SNAKE BITES – YASMANAY TOMÁS

- Named Yasmany after an artist on a Brazilian soap opera in the '80s his mom used to watch.
- Would often get in trouble in school for speaking too loud. For a while his grandmother thought he had a hearing problem due to the notes they would receive from teachers.
- Father, Roque Tomás, worked at tow-truck shop and also played baseball...was a reserve for the Industriales de Cuba.
- In an interview conducted in Cuba by FOX Sports, Yasmany's mother, Melba Rosa Bacallao, said this about her son's defection: "He decided to leave because that is what he wanted for his life. Right now I wish he was here. This is what he wanted and I think everyone wants to succeed in life and achieve their true potential."
- Nickname of "El Tanque" was from a broadcaster who called games for the Industriales in Cuba...it comes from a cartoon series that included tanks where one of them was named "Thomas the Tank Engine."
- Defected from Cuba in late 2014 and only told his family 1 hour before his departure.
- Spent 16 hours on a boat before landing in Haiti before eventually taking up residence in the Dominican Republic.
- Has 2-year-old daughter in Cuba (Analia) and a daughter, Mia, with wife, Melissa, in Phoenix.
- Is afraid of heights, static electricity and thunder.
- Favorite movie is "Titanic".

Luis Gonzalez presents Chris Owings with the 2016 Luis Gonzalez Award.

LUIS GONZALEZ AWARD

In 2015, the Luis Gonzalez Award was created, which will be given annually to the D-backs player who best exemplifies the talents, spirit and heart of the D-backs legend both on and off the field, as voted by his teammates, coaches and clubhouse staff.

Chris Owings was honored in a pregame ceremony on Sept. 30, 2016 as winner of the annual award.

"Chris Owings showed everyone what it means to be an extraordinary teammate this season," said Gonzalez. "I could not be more proud that Chris was recognized for this award by his teammates, coaches and staff members for his extreme selflessness on and off the field."

One of the most popular figures in Arizona Diamondbacks history because of the way he interacted with fans and his game-winning single in Game 7 of the 2001 World Series to give the organization its first World Championship, Gonzalez became the first former player to have his number retired by the D-backs during a pre-game ceremony in 2010.

NO-HITTERS

RANDY JOHNSON ON MAY 18, 2004 @ BRAVES

Adept at setting records throughout his career, Randy Johnson added something new to his impressive resume when he retired all 27 Atlanta Braves he faced on May 18, 2004, at Turner Field. At 40 years, 251 days, he became the oldest pitcher in history to record a perfect game, bettering Cy Young, who was 37 years, 37 days on May 5, 1904. Johnson's gem was the 15th in modern day regular season history, the 16th including Don Larsen's perfect effort for the Yankees in the 1956 World Series.

Johnson fanned 13 in the 117-pitch performance which concluded with a 98-mph pitch to Eddie Perez to end the game. It was the first no-no in franchise history and first perfect game in the Majors since the Yankees' David Cone on July 18, 1999 vs. Montreal. It was also the first perfecto in the National League since the Expos' Dennis Martinez on July 28, 1991 @ Dodgers.

JACKIE ROBINSON

MLB CAREER

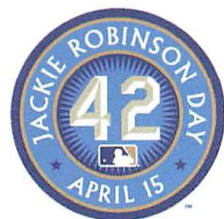

YEARS: 1947-1956

AWARDS: 6x NL All-Star (1949-54), 1947 Rookie of the Year, 1949 NL Most Valuable Player.

NOTES: Bud Selig announced on April 15, 1997, that Jackie Robinson's No. 42 was retired by Major League Baseball, barring players on any Major League club to wear the number...as an exception to the retired number policy, MLB has recently begun honoring Robinson's legacy by allowing players to wear No. 42 on April 15 each season to celebrate Jackie Robinson Day... for the 60th anniversary of Robinson's Major League debut, MLB invited players to wear No. 42 on Jackie Robinson Day in 2007...the gesture was originally the idea of Ken Griffey, Jr., who sought Rachel Robinson's permission to wear the number... after receiving her permission, Selig not only allowed Griffey to wear the number, but also extended an invitation to all clubs to do the same.

HISTORY

MEDIA

- ♦ D-backs entered the World Series with Craig Counsell as the only active player in possession of a World Championship ring (Marlins, 1997) while the Yankees were 3-time defending champs.
- ♦ Randy Johnson and Curt Schilling were the second co-MVP's in World Series history joining the Los Angeles Dodger trio of Ron Cey, Pedro Guerrero and Steve Yeager...it marked the 20th and 21st time a starting pitcher won the award, first since Florida's Livan Hernandez in 1997.
- ♦ It was the third time in World Series history that the home team won every game, joining the Twins against St. Louis in 1987, and Twins against Atlanta in 1991.
- ♦ D-backs outscored New York 31-5 in the 4 wins, and were outscored 9-6 in the trio of 1-run losses in the Bronx.
- ♦ D-backs were the fastest expansion team to get to the Fall Classic a year quicker than Florida in 1997...at the time, other expansion clubs to make the World Series and the year they qualified - Mets (eighth year), Royals (12th year), Seattle Pilots/Milwaukee Brewers (14th year), San Diego (16th year), Toronto (16th year)... remaining expansion clubs that have not appeared in the Series include the Angels, Senators/Rangers, Colt 45's/Astros, Expos, Mariners, Rockies and Devil Rays.
- ♦ Arizona pitching held the Yankees to .183 team average (42-for-229), the lowest average ever in a 7 or 8 game World Series... previous low was .185 by St. Louis vs. Kansas City in 1985.
- ♦ Arizona's overall staff ERA of 1.94 was lowest in World Series play since Cincinnati's 1.70 mark in a 4-game sweep of Oakland in 1990 and lowest in a 7-game set since Kansas City had a 1.89 mark in '85 vs. the Cardinals.
- ♦ D-backs were the first team in 80 years to win the first 2 games they ever played in the World Series, the fourth team overall joining the 1914 Boston Braves, 1919 Cincinnati Reds and 1921 New York Yankees.
- ♦ The walk-off finish to Game 7 was the 11th overall "sudden death" ending to a World Series, the third in a row that involved a 7-game series...the last was the 1997 finish when Craig Counsell scored the tie-breaking run in the 10th inning as Florida defeated Cleveland...the other was Minnesota's 10th inning win over the Braves in the Metrodome in 1991.
- ♦ D-backs are the 19th team to win the series after trailing 3 games to 2...it was also the 11th time a team won Games 6 and 7 at home.
- ♦ It was the first time the Yankees were involved in a Game 7 of any postseason series since the 1964 World Series went to the limit against St. Louis.
- ♦ D-backs snapped New York's postseason series streak at 11, handing the Bronx Bombers their first series loss since the 5-game Division Series with Cleveland in 1997.
- ♦ When Curt Schilling and Roger Clemens hooked up in the final game, it marked the sixth time 20-game winners squared off in the seventh game, first since John Tudor (St. Louis) and Bret Saberhagen (Kansas City) in 1985.
- ♦ The 15-2 win in Game 6 alone was worth the following tidbits:
 - + D-backs recorded a World Series-record 22 hits.
 - + 15 runs tied with Toronto for third highest in a World Series game.
 - + 13-run margin of victory tied for second best ever matching the Yankees' 16-3 win over Pittsburgh in Game 2 of 1960 World Series, and was the second-highest ever, just behind an 18-4 Yankee win in Game 2 of the 1936 win over the Giants.
 - + 15-0 lead after 5 innings tied the biggest lead by any team at any time in World Series game...the Yankees had a 16-1 lead in Game 2 of the '60 series against Pittsburgh.
 - + Arizona's 8-run third inning marked the best inning since Game 6 of 1968 series when Detroit scored 10 times in third inning of 13-1 win over St. Louis.
